Your Ultimate Carpet Care Solution Packages

Are you tired of dull, dingy carpets that detract from the beauty of your home? Look no further than Aqua Clean for all your carpet care needs. Our range of professional services ensures that your carpets remain clean, fresh, and vibrant year-round. Let's take a closer look at what Aqua Clean has to offer:

1. Fresh Start Package: Rejuvenate Your Carpets

Say goodbye to stubborn stains, dirt, and Odors with our Fresh Start package. Our comprehensive cleaning service targets every aspect of carpet care, from pre-treatment to deep cleaning. Using advanced techniques and professional-grade equipment, we ensure a thorough removal of dirt and grime, leaving your carpets looking and feeling like new.

2. Secure Fresh Package: Protect Your Investment

Take your carpet care to the next level with our Secure Fresh package. In addition to the services provided in the Fresh Start package, Secure Fresh includes an additional protective treatment for your carpets. This protective barrier guards against future stains and wear, ensuring that your carpets remain cleaner and fresher for longer.

3. Fresh Guard Sanitize: Germ-Free Freshness

For a truly sanitized and refreshed carpet, opt for our Fresh Guard Sanitize service. This all-encompassing treatment not only sanitizes and deodorizes your carpets but also incorporates the features of both the Fresh Start and Secure Fresh packages. Using specialized solutions and advanced techniques, we eliminate germs and Odors, leaving your carpets germ-free and smelling fresh.

Why Choose Aqua Clean?

At Aqua Clean, we understand the importance of a clean and healthy home environment. That's why we're committed to providing top-notch carpet care services that exceed your expectations. With our team of experienced professionals and state-of-the-art equipment, you can trust us to deliver exceptional results every time.

FRESH START

(Carpet Cleaning Service Package)

Description:

The Fresh Start package offers a comprehensive carpet cleaning service designed to refresh and rejuvenate carpets, restoring them to their optimal condition. Fresh Start service targets every aspect of carpet care, from stubborn stains to dirt and Odors. With advanced pre-treatment techniques and professional-grade cleaning methods, we ensure a thorough removal of dirt and grime, leaving your carpets looking and feeling like-new.

Process:

1. Pre-inspection:

At Aqua Clean, our process begins with a thorough assessment of your carpet's condition, identifying any specific concerns such as stains or areas of high foot traffic.

2. Preparation:

Following the assessment, our team sets up machinery and performs thorough vacuuming of the carpet using high-powered equipment. Optional measures include covering furniture and wall corners for added protection.

3. Spot & Pre-treatment:

We apply specialized cleaning solutions with precision to address stains and heavily soiled areas, ensuring the effective breakdown of dirt and grime.

4. Cleaning & Extraction:

Our advanced carpet cleaning machines utilize a hot water extraction method, penetrating deep into the fibres to release embedded dirt and grime. The powerful suction of our equipment efficiently removes water and dirt, leaving your carpets refreshed and rejuvenated.

5. Fiber Grooming:

we will use Specialized brushes to promote even drying and restore the carpet's natural appearance.

6. Final Inspection:

A final inspection confirms the carpet meets desired cleanliness standards, addressing any remaining spots or stains as necessary.

FRESH START

(Carpet Cleaning Service Package)

Key Features:

- Effective Hot Water Extraction Method
- Power Brush Agitation
- Dual 1200watt vacuums to expedite the drying process.

Result of service:

- Customers can anticipate visibly cleaner carpets with reduced dirt, stains, and Odors. The refreshed and renewed appearance enhances the overall ambiance and comfort of the space.

SECURE FRESH

(Carpet cleaning Service Package)

Description:

The Secure Fresh package is a premium carpet cleaning and protection service offered by Aqua Clean. In addition to including all the services provided in the Fresh Start package, Secure Fresh goes further by incorporating an additional protective treatment for your carpets. This protective treatment forms a barrier against future stains and wear, ensuring that your carpets remain cleaner and fresher for longer periods. With Secure Fresh, you not only get a thorough cleaning but also gain peace of mind knowing that your carpets are safeguarded against everyday spills and traffic.

Process:

1. Pre-inspection:

At Aqua Clean, our process begins with a thorough assessment of your carpet's condition, identifying any specific concerns such as stains or areas of high foot traffic.

2. Preparation:

Following the assessment, our team sets up machinery and performs thorough vacuuming of the carpet using high-powered equipment. Optional measures include covering furniture and wall corners for added protection.

3. Spot & Pre-treatment:

We apply specialized cleaning solutions with precision to address stains and heavily soiled areas, ensuring the effective breakdown of dirt and grime.

4. Cleaning & Extraction:

Our advanced carpet cleaning machines utilize a hot water extraction method, penetrating deep into the fibers to release embedded dirt and grime. The powerful suction of our equipment efficiently removes water and dirt, leaving your carpets refreshed and rejuvenated.

5. Protective Treatment:

Secure Fresh includes an additional protective treatment for your carpets, forming a barrier against future stains and wear.

SECURE FRESH

(Carpet cleaning Service Package)

6.Fiber Grooming:

we will use Specialized brushes to promote even drying and restore the carpet's natural appearance.

7.Final Inspection:

A final inspection confirms the carpet meets desired cleanliness standards, addressing any remaining spots or stains as necessary.

Key Features:

- Enhanced Carpet Durability and Extends the Lifespan
- Effective Hot Water Extraction Method
- Power Brush Agitation
- Dual 1200watt Vacuums to Expedite the drying Process

Result of service:

- Customers can expect visibly cleaner carpets with reduced dirt, stains, and Odors. Additionally, the protective treatment provides enhanced durability and extends the lifespan of the carpets.

FRESH GUARD SANITIZE

(Carpet cleaning Service Package)

Description:

Fresh Guard Sanitize is an indispensable service for safeguarding both the cleanliness and health of your living environment. By effectively eliminating harmful germs, bacteria, and allergens from your carpets, it significantly reduces the risk of potential health issues and respiratory problems. With the incorporation of the Fresh Start and Secure Fresh packages, it not only ensures thorough cleaning and protection against stains but also contributes to a healthier indoor environment. This comprehensive approach not only revitalizes the appearance of your carpets but also promotes overall well-being, creating a space where you can breathe easy and thrive.

Process:

1.Pre-inspection:

Our process begins with a thorough assessment of your carpet's condition, identifying any specific concerns such as stains or areas of high foot traffic.

2.Preparation:

Following the assessment, our team sets up machinery and performs thorough vacuuming of the carpet using high-powered equipment. Optional measures include covering furniture and wall corners for added protection.

3.Spot & Pre-treatment:

We apply specialized cleaning solutions with precision to address stains and heavily soiled areas, ensuring the effective breakdown of dirt and grime.

4.Sanitiser & Deodoriser Treatment:

As part of the deep cleaning process, a specialized sanitiser and deodoriser treatment is co-applied to eliminate germs and Odors, leaving your carpets hygienic and fresh. We use special "EVERFRESH" solutions during this process.

5.Cleaning & Extraction:

Our advanced carpet cleaning machines utilize a hot water extraction method, penetrating deep into the fibres to release embedded dirt and grime. The powerful suction of our equipment efficiently removes water and dirt, leaving your carpets refreshed and rejuvenated.

FRESH GUARD SANITIZE

(Carpet cleaning Service Package)

6. Protective Treatment:

Following the cleaning process, we apply a specialized protective treatment to your carpets. This treatment forms a durable barrier, safeguarding your carpets against future stains and wear, ensuring they stay cleaner and fresher for longer.

7. Fiber Grooming:

Specialized brushes are then used to promote even drying and restore the carpet's natural appearance.

8. Final Inspection:

A final inspection confirms the carpet meets desired cleanliness standards, addressing any remaining spots or stains as necessary.

Key Features:

- Germ-Free Freshness Boost
- Enhanced Durability and Extends the Lifespan
- Effective Hot Water Extraction Method
- Power Brush Agitation
- Dual 1200watt Vacuums to Expedite the drying Process.

Result of service:

- After opting for our Fresh Guard Sanitize treatment, customers can anticipate a transformative experience. Not only will their carpets undergo a thorough cleaning, but they'll also be left with a refreshed, sanitized, and protected environment. Our specialized sanitizing, deodorizing, and protective treatment penetrates deep into the fibres, eliminating germs and Odors at their source while forming a barrier against future stains and wear. The result? Carpets that not only look immaculate but also contribute to a healthier and longer-lasting living space. With Aqua Cleans Fresh Guard Sanitize, enjoy the peace of mind that comes with a truly sanitized, rejuvenated, and protected home.

Important Notes:

Please note that our services do not include furniture moving. However, we are more than happy to provide assistance with furniture moving upon request.

Access to cold water, power, and drainage lines will be required during the service.

Ensure that all valuable or delicate items are removed from the areas to be cleaned prior to the service.

Pets should be kept in a safe and secure area away from the cleaning process to prevent accidents or disturbances.

For the best results, please inform the technician of any specific areas of concern, such as stubborn stains or delicate fabrics, before the service begins.

After the cleaning process, allow adequate drying time before walking on or replacing furniture on the carpets.

In case of any issues or concerns during or after the service, please don't hesitate to contact our customer support team for assistance."
